Part:	Quantity:	Link:	Comments:
Controller:			
Sticks	4	https://www.aliexpress.com/item/1005006408366552.html	2 are needed for the triggers. The two others are used for the controller itself.
DSL Buttons and membranes	1	https://www.aliexpress.com/item/1005006390756426.html	OEM buttons / membranes will always feel better. If you don't have a DSi, those are a great option.
Other
